OPP Update methomyl and carbaryl draft BEs 4.3.17 after fead edits ap edits.docx

Hi Yu-Ting,

Please review the OPP update for the release of the methomyl and carbaryl draft BEs. Anita Pease and Phil Villanueva already looked at this as well as the PRD and FEAD folks. Let me know if you have comments. Anita says comments are needed asap.

Hi folks,

This is the latest version of the OPP update that will go out as soon as we get the thumbs up to

release the methomyl and carbaryl draft BEs. Anita Pease, Phil Villanueva, and FEAD already looked at this. Sending this along in case you folks had comments. Does this need to be sent up to Yu-Ting?

Thanks,

Khue Nguyen
